Case Study: 40x40 Tent - Base Camp

[Click Here to view 3D Tent Rendering](#)

TV/Film | Base Camp

Location: Fort Totten Park

We installed a 40x40 Jumbotrac Tent that served as a base camp for a 3-day TV Film Shoot. Tent featured: Pipes/Drape Kits for wardrobe changes; Generators to power the hair/makeup stations and Heaters to maintain safe operating temperatures for the duration.

Case Study: Live TV Broadcast

TV Broadcast | Veteran's Day Parade

Location: Intrepid Air, Sea and Space Museum

To honor our veterans this year, the Museum partnered with the United War Veterans Council (UWVC), organizers of the annual Veterans Day Parade in New York City, to stage an intimate invitation-only ceremony that was broadcasted live on WABC-TV 7. Cabaret was there to provide all the tenting coverage they needed.

Case Study: Movie Premiere

Movie Premiere | Hunter Killer

Location: Intrepid Air, Sea and Space Museum

We partnered with the Intrepid and the Cinema Society to launch the New York movie premiere of "Hunter Killer" starring Gerard Butler. Red carpet events are our specialty!
